Boundary Line Exemption Hardship Administrative Guidelines

Parents may request that their students attend a school outside their attendance area via a Boundary Line Exemption Hardship. The Boundary Line Exemption Hardship provisions encompass conditions at the requested school building, parental action, and other considerations as follows:

1. **Conditions at the Building:** before granting a Boundary Line Exemption Hardship to a student, the administration shall verify that space is available at the requested school.
2. **Parental Action:** the parent shall assume the responsibility for requesting information and submitting the Boundary Line Exemption Hardship application to Student Services.
3. **General Provisions:**
 - a. Movement to the Boundary Line Exemption Hardship will occur on the first day of each semester.
 - b. A Boundary Line Exemption Hardship option may be revoked in cases where enrollment exceeds the capacity criteria at a building/grade level. The most recently admitted Boundary Line Exemption Hardship students shall be the first to be reassigned to the home school.
 - c. Students granted Boundary Line Exemption Hardship shall be subject to the rules and regulation of the Michigan High School Athletic Association. All students in grades 9-12 who move to a Boundary Line Exemption Hardship shall be ineligible to participate in any interscholastic athletic contest for one (1) full semester. Students who are involuntarily returned to their home school shall immediately be eligible for athletic participation at the home school.
 - d. Siblings not enrolled at this school at the time of the decision, will not benefit from this arrangement and are required to apply for Boundary Line Exemption Hardship. There is no guarantee that siblings will be granted attendance at the same school.
 - e. Rescinding an approved Boundary Line Exemption is permitted before August 20th of the requested school year. This action will forfeit the family's right to reapply.
 - f. Once granted a Boundary Line Exemption Hardship option shall remain in effect for the entire educational level (K-5, 6-8, 9-12) or at minimum of one (1) school year.
 - g. **Transportation to and from school will be the responsibility of the parent.**
 - h. If student is granted a Boundary Line Exemption and issues with regard to academics, attendance, behavior, etc., exist then they are subject to immediate transfer back to the home school.
